Student Developers Club (SDC)

1. **Name of the Club:** Student Developers Club (SDC)
2. **Description:** The Student Developers Club is where innovation thrives and dreams take flight. As a vibrant hub for tech enthusiasts, we're dedicated to encouraging learning, collaboration, and innovation. Through interactive workshops, hands-on projects, and a supportive community, we guide students to explore and excel in the dynamic domain of technology. Let's code the future together.
3. **Faculty coordinator:** Dr. Shajahan Aboobacker
4. **Activities Conducted in AY 2023-2024**
 - a. Scholar Script Workshop - October 29, 2023, from 10 am to 12 pm in Lab 4 CSE (AIML & DS)
