

# Walk With World

#### "By the Students, For the Students"

WWW proudly known as Walk with World, established in 2012, is entirely a student-run organization. Walk with World is an IIT BOMBAY Awarded Concept. With an excellent legacy of more than 10 years, WWW is entirely into and for the development of students in all aspects. Walk with World organizes sessions and events which prove to be beenficial for the students. Soft skills essions conducted by Core Team Members of Walk With World for the first and Second Year Students. WWW is also into organizing events such as KIT Model United Nations, an international platform for the students to debate, discuss, and to resolve international disputes across the world.
